Missouri Lives on the Line

How to Participate

Missouri lives are on the line as our state decides whether to expand Medicaid for low-wage working adults. People who don't have insurance live sicker and die younger. Help us demonstrate that people throughout the state want and need Medicaid expansion for themselves, their families, and their communities.

How to Participate – It's easy!

1. Print out the "I support Medicaid expansion because" sign.
2. Write your reason for supporting expansion on the sign. Short messages written in dark pen or marker work best!
3. Write your name and city at the bottom of the sign.
4. Take a digital photo of yourself holding your sign.
5. E-mail the photo to mohealthcareforall@gmail.com
6. Post your photo to social media (if you use it). Use #momedicaid on Twitter and tag MoHealthCareAll and [momedicaidcoalition](#) on Facebook.

How we'll use the photos:

- We'll post the photos to social media, including Facebook and Twitter
- We'll post the photos on a page on the Missouri Health Care for All website, www.mohealthcareforall.org. We may also post them on other websites and social media accounts, including the Missouri Medicaid Coalition at www.momedicaidcoalition.org.
- We will use the photos for visual displays to share with legislators and the media.
- **By submitting your photo, you are granting Missouri Health Care for All and the Missouri Medicaid Coalition permission to share it publicly.**

Questions about the campaign? Contact Missouri Health Care for All at mohealthcareforall@gmail.com or 877-383-8884.

Thank you!
