SPRINGFIELD, Mo. -- Local activists against the GOP’s proposed "American Health Care Act" plan to hold a rally today in Springfield.

A group called Missouri Health Care for All is organizing the protest. It will take place today outside the office of Representative Billy Long at 3232 E Ridgeview, urging him to vote 'no' on the AHCA. The demonstration takes place from noon to 1 p.m.

The group plans similar protests at the local offices of other Missouri House Republicans.

The U.S. House of Representatives is expected to vote today on the new plan.
